Energy Transfer, a Texas-based energy company founded in 1996 as a small intrastate natural gas pipeline company, is now one of the largest and most diversified master limited partnerships in the United States.

Strategically positioned in all of the major U.S. production basins, the company owns and operates a geographically diverse portfolio of energy assets, including midstream, intrastate and interstate transportation and storage assets. Energy Transfer, or one of its affiliates, operates more than 130,000 miles of natural gas, crude oil, natural gas liquids and refined products pipelines and related facilities, including terminalling, storage, fractionation, blending and various acquisition and marketing assets in 44 states.

Fayetteville Express Pipeline is an approximately 185-mile natural gas pipeline system in the Fayetteville Shale in Arkansas and connects to pipelines serving the Midwest and Northeast. The 42-inch pipeline originates in Conway County, Arkansas and continues eastward through White County, Arkansas into Panola County, Mississippi. Fayetteville Express is a joint venture with Kinder Morgan and is operated by Energy Transfer.
