Atmos Pipeline and Storage, LLC provides gas storage services to customers through its ownership and operation of non-regulated underground natural gas storage facilities and associated transmission pipeline facilities. Atmos Pipeline and Storage, LLC owns and operates two underground natural gas storage fields and related pipeline facilities located in Hopkins County, Kentucky. Barnsley Storage Field is located south of Earlington, Kentucky near the communities of Barnsley and Mortons Gap. East Diamond Storage Field is located southeast of Madisonville, Kentucky near the communities of Grapevine and Anton.

Atmos Energy is committed to safety. In cooperation with other natural gas utilities and pipeline operators, Atmos Energy provides informational programs, materials and training for emergency responders. Our emergency plan is available upon request.

COMMITMENT TO SAFETY, HEALTH AND ENVIRONMENT

Atmos Energy's number one priority is the safety of our employees, the public and our natural gas system.

Atmos Energy is committed to:

- Providing a safe, healthy and stable work environment for all employees
- Delivering energy that is safe, reliable, affordable and efficient.
- Enhancing public safety through safe work practices and public education
- Complying with federal, state and local regulations
