

**ABOUT COVEY PARK COMPANIES**

Covey Park Companies operates a natural gas gathering system in Texas and Louisiana. Permanent markers have been installed along the pipeline system for identification. If you plan to do any type of digging in the vicinity of one of our pipelines located by these markers, please contact Covey Park Companies at 800-301-0079. Covey Park Companies will promptly arrange an on-site meeting with the excavator and will provide temporary marking of the location of the pipeline facilities. If necessary, Covey Park Companies will witness the excavation activity.

**WHAT DOES COVEY PARK COMPANIES DO IF A LEAK OCCURS?**

To prepare for the event of a leak, pipeline companies regularly communicate, plan and train with local emergency responders. Upon the notification of an incident or leak the pipeline company will immediately dispatch trained personnel to assist emergency responders.

Pipeline operators and emergency responders are trained to protect life, property and facilities in the case of an emergency.

Pipeline operators will also take steps to minimize the amount of product that leaks out and to isolate the pipeline emergency.

**MAINTAINING SAFETY AND INTEGRITY OF PIPELINES**

Covey Park Companies invests significant time and capital maintaining the quality and integrity of their pipeline systems. Most active pipelines are monitored 24 hours a day. Covey Park Companies utilizes on-ground observers to identify potential dangers. Automatic shut-off valves are sometimes utilized to isolate a leak.

Specific information about Covey Park Companies program may be found on our Web site, or by contacting us directly.

**PRODUCTS TRANSPORTED**

**Product:** Natural Gas

**Leak Type:** Gas

**Vapors:** Lighter than air and will generally rise and dissipate. May gather in a confined space and travel to a source.

**Health Hazards:** Will be easily ignited by heat, sparks or flames and will form explosive mixtures with air. Vapors may cause dizziness or asphyxiation without
