**OPERATOR OVERVIEW**

**Incident Action Plan  
(Emergency Response Plan)**

- Protect people first, property second
- Isolate area and deny entry
- Determine if atmosphere is safe
- Establish hazard control zones
- Evacuate if necessary
- Notify Kinder Morgan Cochin
- Control Ignition Sources
- If ignited, allow to self-extinguish
- Contain and control secondary fires.

Kinder Morgan Cochin practices the National Incident Management System (NIMS) and will integrate into the Incident Command System (ICS) in an emergency.

In the unlikely event that a leak should occur, Kinder Morgan will dispatch our pipeline maintenance crews (located at strategic points along the pipeline) to the site. Once we have ensured the safety of our neighbors, employees, and contractors and the immediate dangers have been controlled, the pipeline is repaired and any damage to the surrounding area is restored.
