Energy Transfer Partners, a Texas-based energy company founded in 1995 as a small intrastate natural gas pipeline company, is now one of the largest and most diversified master limited partnerships in the United States.

Strategically positioned in all of the major U.S. production basins, the company owns and operates a geographically diverse portfolio of energy assets, including midstream, intrastate and interstate transportation and storage assets. Energy Transfer operates nearly 125,000 miles of natural gas, crude oil, natural gas liquids and refined products pipelines and related facilities, including terminalling, storage, fractionation, blending and various acquisition and marketing assets in 41 states.

**Fayetteville Express Pipeline** is an approximately 185-mile natural gas pipeline system in the Fayetteville Shale in Arkansas and connects to pipelines serving the Midwest and Northeast. The 42-inch pipeline originates in Conway County, Arkansas and continues eastward through White County, Arkansas into Panola County, Mississippi. Fayetteville Express is a joint venture with Kinder Morgan and is operated by Energy Transfer.
