

BOWLINE POWER LLC

ABOUT BOWLINE POWER LLC:

Bowline Power LLC operates and maintains two (2) natural gas pipelines in your area. The pipelines supply natural gas to the Bowline Power Generation Facility located on Samsondale Avenue, in the Village of West Haverstraw. The natural gas in these pipelines is used solely by the power plant and is not sold for residential or commercial use. As such, if your home uses natural gas and you are experiencing problems with your gas piping or burning equipment, you will need to contact your natural gas provider.

One pipeline originates at Buena Vista Road in the Town of Clarkstown and the other pipeline originates at Eakman Drive in the Village of West Haverstraw. Both share the same right-of-way until terminating at the Bowline Power Generation Facility.

Bowline Power LLC is committed to improving public safety as well as the integrity of its pipelines. This benefits all our neighbors.

PIPELINE SAFETY

System failures occur infrequently along the nation's network of interstate natural gas pipeline facilities, and many of these are caused by damage from others digging near the pipeline. We watch for unauthorized digging, but we request your help to notify us.

ALWAYS CALL 811 BEFORE YOU DIG!

PIPELINE LOCATION AND MARKERS

Pipeline markers are used to indicate the approximate location of a natural gas pipeline and to provide contact information. Markers should never be removed or relocated by anyone other than a pipeline operator.

EMERGENCY CONTACT: 1-845-786-8046

PRODUCTS/DOT GUIDEBOOK ID#/GUIDE#:
 Natural Gas 1971 115

NEW YORK COUNTIES OF OPERATION:

Rockland

Changes may occur. Contact the operator to discuss their pipeline systems and areas of operation.

You can also find out where other companies' pipelines are in your area by going to the National Pipeline Mapping System website at www.npms.phmsa.dot.gov.

EMERGENCY RESPONSE PLANS

An Emergency Response Plan is developed to contain, control and mitigate the various types of emergency conditions/situations that could occur at our facility. For more information regarding the Bowline Power LLC emergency response plans and procedures, contact us directly.
