OVERVIEW

Boardwalk Texas Intrastate, LLC operates an intrastate natural gas pipeline located in South Texas. Boardwalk Texas Intrastate is well-situated to provide access to gulf coast industrial markets and liquefied natural gas export terminals in the Corpus Christi area.

COMMITMENT TO COMMITMENT TO SAFETY, HEALTH & THE ENVIRONMENT

Boardwalk Texas Intrastate, LLC is committed to the protection of the public and the environment through the safe operation and maintenance of its pipeline systems. Boardwalk's qualified personnel are trained in emergency response activities and regularly participate in drills and exercises reflecting various types of response levels, emergency scenarios, topographic terrain and environmental sensitivities. Boardwalk Texas Intrastate, LLC has committed the necessary resources to fully prepare and implement its emergency response plans.

COMMUNICATIONS

Boardwalk Texas Intrastate, LLC utilizes its 24-hour Pipeline Control Room (1-800-850-0051) as a hub of communications in emergency response situations.

The Control Room has a vast catalog of resources and capabilities. On-site communications are conducted using cellular telephones, portable radios, satellite phones and/or land-line telephone systems from company facilities and offices.

PIPELINE LOCATION AND MARKERS

The purpose of a pipeline marker is to identify a pipeline right-of-way and to provide information about Boardwalk Texas Intrastate's pipelines including operator name; phone numbers, in case of a possible emergency; and the product inside the line. Markers indicate the general, not exact, location of a pipeline and do not necessarily follow a straight line between two markers. Never rely solely on the presence or absence of pipeline markers - someone may have moved or removed the marker.

PRODUCTS/ DOT GUIDEBOOK ID#/ GUIDE#:		
Natural Gas	1973	115

**TEXAS
COUNTIES OF OPERATION:**

Bee	San Patricio
Jackson	Smith
Nueces	Victoria
Refugio	

Changes may occur. Contact the operator to discuss their pipeline systems and areas of operation.

For additional information that is available for emergency responders, please see the PIMMA link on the National Pipeline Mapping System's website: npms.phmsa.dot.gov.

IN CASE OF AN EMERGENCY

Emergency preparedness and planning measures are in place at Boardwalk Texas Intrastate in case a pipeline incident occurs. Boardwalk Texas Intrastate also works closely with local emergency response organizations to educate them regarding our pipelines and how to respond in the unlikely event of an emergency.

Should an emergency occur, Boardwalk Texas Intrastate's objective is to resolve the situation quickly and safely. Two-way communication with emergency responders is critical for this resolution. Boardwalk Texas Intrastate needs immediate access to the incident location in order to assess and develop a plan to resolve the situation.
