

MISSION STATEMENT

It is the mission of Kinder Morgan, Inc. to protect its employees, the public, and the environment and to achieve zero losses to the Company's overall financial performance due to incidents, injuries, environmental releases and property damage. Our mission is founded on the following values:

1. **LEADERSHIP VALUE** - The Company will provide leadership in the understanding and implementation of loss control principles throughout our business.
2. **EQUAL VALUE** - Environment, Health & Safety, Production, Quality, Reliability and Profit work together to make our enterprise successful
3. **EMPLOYEE VALUE** - Employees commit to zero loss performance by integrating loss control principles into their daily activities.
4. **SOCIAL VALUE** - Success is based on caring for the safety and health of all people and the environment.

THESE VALUES WILL NOT BE COMPROMISED IN ANY WAY!

Environmental Health & Safety

Kinder Morgan strives to protect its employees, the public, and our environment as well as achieve zero losses to the Company's overall financial performance due to incidents, injuries, environmental releases and property damage.
