Atmos Energy is the largest natural gas-only distributor in the country. We safely deliver reliable, affordable, efficient and abundant natural gas to more than 3 million distribution customers in over 1,400 communities across eight states. As part of our vision to be the safest provider of natural gas services, we are modernizing our business and infrastructure while continuing to invest in safety, innovation, environmental sustainability and our communities.

Atmos Energy is committed to safety. In cooperation with other natural gas utilities and pipeline operators, Atmos Energy provides informational programs, materials and training for emergency responders. Our emergency plan is available upon request.

Atmos Energy supports damage prevention programs in order to reduce accidents that can threaten lives and damage property due to careless digging. We actively promote Call 811 Before You Dig; as well as the Virginia 811 Dig with C.A.R.E. program, sponsored by the Virginia SCC, among both professional and residential excavators.
