

**TRANSWESTERN PIPELINE COMPANY**  
An ENERGY TRANSFER Company

1300 Main St.  
Houston, TX 77002  
Phone: (713) 989-7000  
Website: www.energytransfer.com

Energy Transfer Partners, a Texas-based energy company founded in 1995 as a small intrastate natural gas pipeline company, is now one of the largest and most diversified master limited partnerships in the United States.

Strategically positioned in all of the major U.S. production basins, the company owns and operates a geographically diverse portfolio of

energy assets, including midstream, intrastate and interstate transportation and storage assets. Energy Transfer operates nearly 120,000 miles of natural gas, crude oil, natural gas liquids and refined products pipelines and related facilities, including terminalling, storage, fractionation, blending and various acquisition and marketing assets in 41 states.

**Transwestern Pipeline** is an approximately 2,700-mile natural gas pipeline system in the San Juan, Anadarko and Permian Basins and traverses to markets in the Midwest, Texas, Arizona, New Mexico, Nevada and California. Transwestern's pipeline system has a bidirectional flow capability that provides flexibility to rapidly adapt to regional demand. Customers include local distribution companies, producers, marketers, electric power generators and industrial end-users.
