

DCP MIDSTREAM

7635 Road 3
 Liberal, KS 67901
 Emergency: 1-888-204-1781
 Website: www.dcpmidstream.com

COMPANY PROFILE

The link between natural gas exploration and production and the enduse customer is known as the midstream segment of the natural gas industry. DCP Midstream leads the midstream segment as the nation's largest natural gas gatherer, the largest natural gas liquids (NGLs) producer and one of the largest NGL marketers.

DCP Midstream owns/operates approximately 2,100 miles of natural gas pipelines in Kansas.

COMMITMENT TO SAFETY, HEALTH AND ENVIRONMENT

At DCP Midstream, we design, install, test, operate and maintain our pipelines to meet or exceed regulatory standards. We test our pipelines to withstand a higher pressure than encountered in daily use. Our employees receive regular, thorough training to safely operate and maintain our pipeline systems. As part of our ongoing damage prevention program, we patrol our pipeline right-of-way corridors by air and periodically on foot to spot potential safety problems, such as possible leaks or unauthorized construction.

DCP Midstream is committed to the safe operation of our pipelines and the protection of our employees, the public, and the environment.

For more information regarding DCP Midstream's emergency response plans,

maps and procedures, please contact us at the address listed above.

PRODUCTS TRANSPORTED

Product: Natural Gas

Leak Type: Gas

Vapors:

Lighter than air and will generally rise and dissipate. May gather in a confined space and travel to a source of ignition.

Product Hazards:

Will be easily ignited by heat, sparks or flames and will form explosive mixtures with air. Vapors may cause dizziness or asphyxiation without warning and may be toxic if inhaled at high concentrations. Contact with gas or liquefied gas may cause burns, severe injury and/or frostbite.

Emergency Contact:
