

Energy Transfer Partners, a Texas-based energy company founded in 1996 as a small intrastate natural gas pipeline company, is now one of the largest and most diversified master limited partnerships in the United States.

Strategically positioned in all of the major U.S. production basins, the company owns and operates a geographically diverse portfolio of energy assets, including midstream, intrastate and interstate transportation and storage assets. Energy Transfer operates more than 125,000 miles of natural gas, crude oil, natural gas liquids and refined products pipelines and related facilities, including terminalling, storage, fractionation, blending and various acquisition and marketing assets in 44 states.

Sunoco, LLC is a wholly owned subsidiary of Sunoco LP (SUN), a master limited partnership based in Dallas, Texas. Sunoco is the largest independent fuel distributor in the country that also owns and/or operates 4 transmix processing facilities along with 42 refined product terminal facilities. Sunoco's operations also include transportation assets to support the distribution of motor fuel to approximately 10,000 convenience stores, independent dealers, commercial customers, and distributors located in more than 30 states, including Hawaii and Puerto Rico. Sunoco LP's general partner is owned by Energy Transfer.
