

Eastman Gas Company, LLC

WHAT DOES EASTMAN GAS COMPANY LLC DO IF A LEAK OCCURS?

To prepare for the event of a leak, pipeline companies regularly communicate, plan and train with local emergency providers. Upon notification of an incident or leak, EASTMAN GAS COMPANY LLC will immediately dispatch trained personnel to assist emergency responders.

The pipeline operator and emergency responders are trained to protect life, property and facilities in case of an emergency.

MAINTAINING SAFETY AND INTEGRITY OF PIPELINES

EASTMAN GAS COMPANY LLC invests significant time and capital maintaining the quality and integrity of their pipeline systems.

Operator personnel continually monitor the pipeline system and assess changes in pressure and flow. Field personnel are notified immediately if there is a possibility of a leak.
