Hawk Gathering

ABOUT HAWK GATHERING CO., LTD

Hawk Gathering Co., LTD (Hawk Gathering), headquartered in Longview, TX, is a jurisdictional natural gas gathering operator. The Hawk Gathering pipeline system is located in Panola County, TX.

WHAT DOES HAWK GATHERING DO IF A LEAK OCCURS?

To prepare for the event of a leak, Hawk Gathering regularly communicates, plans and trains with local emergency providers. Upon the notification of an incident or leak, Hawk Gathering will immediately dispatch trained personnel to assist emergency responders.

Hawk Gathering and emergency responders are trained to protect life, property and facilities in case of an emergency.

Hawk Gathering will also take steps to minimize the amount of product that leaks out and to isolate the pipeline emergency.

MAINTAINING SAFETY AND INTEGRITY OF PIPELINES

Hawk Gathering invests significant time and capital maintaining the quality and integrity of its pipeline system.

Hawk Gathering personnel continually monitor the pipeline system and assess changes in pressure and flow. We notify field personnel if there is a possibility of a leak.

Specific information about Hawk Gathering's program may be obtained by contacting us directly.

PRODUCTS TRANSPORTED

Product: Natural Gas

Leak Type: Gas

Vapors:

Lighter than air and will generally rise and dissipate. May gather in a confined space and travel to a source of ignition.

EMERGENCY CONTACT: 1-903-984-0669

PRODUCTS/DOT GUIDEBOOK ID#/GUIDE#:		
Natural Gas	1971	115

TEXAS COUNTIES OF OPERATION:

Panola

Changes may occur. Contact the operator to discuss their pipeline systems and areas of operation.

Product Hazards:

Will be easily ignited by heat, sparks or flames and will form explosive mixtures with air. Vapors may cause dizziness or asphyxiation without warning and may be toxic if inhaled at high concentrations. Contact with gas or liquefied gas may cause burns, severe injury and/or frostbite.

HOW TO GET ADDITIONAL INFORMATION
